## Academically More Able, Gifted & Talented Policy

February 2016

## **Academically More Able, Gifted and Talented Pupils**

<b>Date</b>	<b>Review Date</b>	<b>Coordinator</b>	<b>Nominated Governor</b>
<b>29/02/16</b>	<b>1/1/17</b>	<b>Mrs K Phillips</b>	<b>Janine Williams</b>

We believe this policy relates to the following legislation:

- Education Act 1996
- Education Act 1997
- Standards and Framework Act 1998
- Education Act 2002
- Education Act 2003

We believe we have a duty to ensure that all children have equal rights to the opportunities offered by education and that all children will be encouraged to fulfil their potential in their academic, physical and creative achievements.

We want to give all children the right to access high quality educational experiences, to take part in a broad and balanced curriculum and to be part of the social life of the school.

We recognise that within the school we have academically more able, gifted and talented children. We believe that:

- academically more able children work above age related expectations in one or more area;
- talented children are those who work above age related expectations in art, music, dance, sport;
- gifted children work significantly above age related expectations in academic subjects;

We encourage individual children to develop their attributes and skills within a learning environment that embraces equality of opportunity. We strive to develop the gifts and talents of pupils by ensuring Quality First Teaching, robust assessment systems, challenging lessons, a variety of learning experiences in a secure learning environment.

We will identify more able and talented children by:

- Teacher observations
- Staff discussions
- Analysis of pupils’ work
- Teacher assessment
- Statutory assessments
- Analysis of data
- Discussions with parents
- Discussions with children
- Discussions with outside agencies and local clubs

**“Working, Praying, Sharing and Learning Together”**  
**“Gweithio, Gweddiwn, Rhannu a Ddysgu gyda’n Gilydd”**

We aim to work effectively with parents in order for pupils to fulfil their potential in their academic, physical and creative achievements.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

## **Aims**

- To identify at an early stage academically more able, gifted and talented children.
- To address and develop specific skills and talents by providing wider opportunities and expectations by extending teaching and learning skills.
