Freedom of Information

We are aware that under the Freedom of Information Act 2000 we have a legal duty to supply certain information to enquirers and that we must be clear and proactive about the information we make public.

To do this we must produce a publication scheme, setting out:

- The classes of information we publish or intend to publish
- The manner in which the information will be published
- How to request information
- Payment for information

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

Aims

- To provide certain information to enquirers under the Freedom of Information Act 2000.
- To recognise that we have a duty to provide advice and assistance to anyone requesting information.
- To ensure that personal information is not made public.
- To work with other schools to share good practice in order to improve this policy.
