Thank you to all those you have applied for a key worker childcare place during the Easter period. The second application round has now closed. Please continue to check the Council’s website over the next 2 weeks for more information relating to admission arrangements for the week commencing 20th April 2020. If you have already applied for a school hub childcare place, there is no need to reapply when the next admission round opens. Existing applicants will be contacted via email.

Calling all Blaenau Gwent Key Worker Parents/Carers...We Need Your Views!

Blaenau Gwent Council is looking to review and assess the demand for childcare provision over the coming weeks, including the timings and availability of childcare options via school hubs and childcare settings. In doing so, we would greatly appreciate the views of key worker parents/carers in relation to both current and future childcare provision. Please could you take a few minutes to complete the following anonymous survey, highlighting how childcare hubs could support you as a frontline key worker over the coming weeks. This information will then be used in line with local and national guidance etc., in order to inform future school hub and wider childcare provision.

Please select the following link or copy and paste it into a search engine in order to complete the survey, which will take between 2 and 3 minutes:
