Thursday 30th April 2020

Blaenau Gwent Council and its schools are looking to provide support for pupils who do not have access to online learning. We have been made aware that there are a number of children and young people who do not have access to laptops, devices and/or the internet at home, which is affecting their ability to complete school work, tasks and engage with their school online. Therefore, we are seeking the views of parents/carers to enable us to provide devices and support for pupils who need them. Could you please take 2 minutes to complete the following short questionnaire, which will help us to understand what is needed and how we can support your child/children to engage in digital and online learning?

<https://wh1.snapsurveys.com/s.asp?k=158818045005>

If you have any questions, or would like help in accessing or completing the questionnaire, you can contact Sharon Northall on: (01495) 355470

Thank you.
